Mr. David Clark  
Coastal Wallcoverings  
790 Mariposa Drive  
Vista, CA 92083-6437

To whom it may concern:

I have been an interior designer in San Diego since 1967. I've had dealings and activities with many workrooms, artists and various installers of interiors. Through more than thirty years in this profession, one of the nicest and most able people I've come across is David Clark.

David is a professional. He is timely, thorough and pleasant to work with to accomplish a task. Whatever field of endeavor David chooses to pursue, he'll approach it with the same characteristics I've described.

Please feel free to call my office and make any further enquiries.

Sincerely,

  
Walter J. Nelson
